[Intro]
One wish?
Two wishes?
How many do you need?
Tell me...

[Beat Drop]
더 원해! 더 원해!
(More! More!)
갖고 싶어! 갖고 싶어!
(Want it! Want it!)
끝없이 원해!
I want it all!

[Verse 1 – Rap]
Wish for money, wish for gold
Big fat mansion, private road
Diamond watches, designer clothes
More followers, everybody knows

Wish for beauty, wish for fame
Red carpet, remember my name
Wish for power, wish for the crown
Never gonna let anybody bring me down

Wish for love, wish for a ring
Perfect partner, everything
Wish for success, wish for the top
Get what I want, never gonna stop!

[Pre-Chorus – Female Vocal]
더 가져, 더 가져
Give me more, give me more
하나를 얻으면
I want ten more!

[Chorus – Female Lead]
원해, 원해, 더 원해!
더 많이 갖고 싶어!
원해, 원해, 다 원해!
끝없이 달려가!

[Interjection – Spoken Female Voice, Beat Suddenly Stops]
Wait...
Money? Fame? Beauty? Love?
You want everything?

Then tell me...

WHY DON'T YOU WISH FOR CONTENTMENT?

[Beat Slams Back – Male Rap]
만족을 원해!
(MANJOK-EUL WONHAE!)
만족을 원해!
Why not wish for contentment?

[Verse 2 – Rap]
Got the money, want the fame
Got the fame, want a bigger name
Got the car, want a private jet
Tell me, when will you be satisfied yet?

Climb the ladder, reach the sky
Touch the stars, still asking why
Chasing dreams, running around
What if the treasure is already found?

[Pre-Drop – Sultry Female Whisper]
Stop chasing...
Stop wanting...
Or maybe...
Wish for something different.

Manjok 만족

This song was inspired by a visit to Busan, Korea and seeing a vibrant dance competition by teens. It incorporates the mantra of Cintamani Avalokitesvara.

[Mantra Drop – Sanskrit Chant]
Oṃ cakra-vartin
cintā-maṇi mahā-padme

Ru ru ru ru!
Tiṣṭha!

Jvala!
Ākarṣāya!

Hūṃ phaṭ svāhā!

[Post-Drop – Korean Hook]
만족해! 만족해!
(MANJOKHAE! MANJOKHAE!)
이대로 좋아!
(I LIKE IT AS IT IS!)

더 원해? NO!
더 가져? NO!
만족을 원해!
만족을 원해!

[Verse 3 – Fast Rap]
Not every wish needs a bigger prize
Not every treasure comes in disguise
Know what you have, appreciate
Don't let desire dictate your fate

Dream big, but don't be blind
Peace of mind is hard to find
Want what matters, let greed go
That's the secret you need to know!

[Final Chorus – Full Power]
원해, 원해, 더 원해!
Or maybe 만족을 원해!
원해, 원해, 다 원해!
이제는 만족을 원해!

[Final Mantra – Layered Male and Female Chant]
Oṃ cakra-vartin
cintā-maṇi mahā-padme

Ru ru ru ru!
Tiṣṭha!

Jvala!
Ākarṣāya!

Hūṃ phaṭ svāhā!

[Outro – Sultry Female Whisper]
One more wish?

No...
I'm good.

만족해.
