

SO BLESSED

BODHI NEON

GOOD COFFEE • KINDER PEOPLE • BRIGHTER DAYS
LITTLE MOMENTS • BIG BLESSINGS

INTRO

Wake up with a lighter mind, let the morning sun unwind
Time to leave the heavy days, a brighter path, a bouncier way

VERSE 1

Little things start shining through, coffee brews, I'm feeling new
Every step is breaking free, dancing like nobody's watching me
Sunlight on an open road, I'm ready now to let it go
Breathing in, I feel the change, life don't feel so complicated

CHORUS

Blessings, feeling blessed
Yeah I'm so, so blessed
Bless, bless, bless
I'm so, so blessed

BRIDGE — CALL & RESPONSE

Feeling blessed!
[Choir:] Feeling blessed!
No more stress!
[Choir:] No more stress!
Walk the path!
[Choir:] Walk the path!
[All:] We're so, so blessed!

VERSE 2

Every moment's wrapped in gold, stories shared, hearts unfold
Dancing circles, nights divine, laughter sparkles, stars align
Count the ways, let joy ignite, let this rhythm hold you tight
Life is good, and hope sings loud, join the chorus, be proud

CHORUS

Blessings, feeling blessed
Yeah I'm so, so blessed
Bless, bless, bless
I'm so, so blessed

BRIDGE — CALL & RESPONSE

Feeling blessed!
[Choir:] Feeling blessed!
No more stress!
[Choir:] No more stress!
Walk the path!
[Choir:] Walk the path!
[All:] We're so, so blessed!

FINAL CHORUS — BIG, LAYERED

Blessings, feeling blessed
I'm feeling blessed
No more stress, no more stress
Just walk the path
Blessings, feeling blessed

Bless, bless, bless
I'm so, so blessed
