

VISHVABHU PACIFY

BODHI NEON • SOUNDTRACK LYRICS

[INTRO – WHISPER]

I hate this...
I hate this feeling...
This fire...
Burning me.

[VERSE 1]

Difficult days.
Difficult hearts.
Difficult words
Leaving their marks.

I carry the flame,
Thinking it protects—
But every spark
Burns my own chest.

[PRE-CHORUS]

May this fire grow still.
May this mind grow cool.
May I let go.
May I be free.

[BUILD]

Namo Viśvabhūve Buddhaya...

[DROP / HOOK]

Kala kala,
Kili kili,
Kulu kulu...
No hate. No hate.

Kala kala,
Kili kili,
Kulu kulu...
No hate. No hate.

[VERSE 2]

Not by fighting.
Not by blame.
Not by feeding
The endless flame.

The one I punish
Is always me.
The prison opens
When I release.

[MANTRA]

Namo buddhāya,
Namo dharmāya,
Namaḥ saṅghāya.
Om kala kala
Kili kili
Kulu kulu
Kulotsādanaṃ kuru
Sarva grahāṇāṃ svāhā.

[FINAL DROP]

Kala kala! Kili kili! Kulu kulu!

No hate. No hate. No hate.

No hate. Only freedom.
No hate. Only light.
No hate. Only peace.
