

Flying

Step into a world where ancient myth meets modern sound

[VERSE 1: GAELIC]

An t-iarrrtas a' seargadh mar cheò
(The desire withering like mist)

Na cuibhrichean uile a' briseadh
(All the chains are breaking)

Sàmhchair sa chridhe a-nis
(Stillness in the heart now)

[BRIDGE: GAELIC — THE ASCENT]

Ag itealaich gu nèamh glan
(Flying to the pure heaven)

Os cionn an t-saoghail seo
(Above this world)

Saor, saor, saor
(Free, free, free)

[CHORUS: ENGLISH — THE HOOK]

Forever free, on wings of light,
Beyond the reach of day or night.
The sky is open, wide and deep,
A promise that Nirvana keeps.
Eternal peace, the wanting ends,
Where the wind and breath ascend.
