

BURNING HOUSE

By Bodhi-Bowl

VERSE 1

There's a child inside of everyone, Wishing to be loved, to be someone. We don't want to face the karma chain, Dreaming love will wash away the pain. The ancient truth is all around, This world was never pain-free ground. We keep on laughing, lost in play, While everything burns away.

PRE-CHORUS

We keep pretending we don't know, Still dancing in the fire's glow. The truth is calling out our name — It's time we change.

CHORUS

Grow up, grow up, precious baby, We can't keep hiding from the flames. Time to break the spell, the house is burning! **[Soft background vocals] Nam Myōhō Renge Kyō! (ナムミヨウホウレンゲキョウ) Nam Myōhō Renge Kyō! (ナムミヨウホウレンゲキョウ) Nam Myōhō Renge Kyō! (ナムミヨウホウレンゲキョウ) Nam Myōhō Renge Kyō! (ナムミヨウホウレンゲキョウ)**

VERSE 2

Plastic dreams and paper wings, Falling down like faded things. Still we cling to make-believe, Afraid of what the truth could be. But in the fire, something grows, From the ash, compassion shows. Every scar, a vow reborn, To rise again, transformed.

PRE-CHORUS

The fire's not cruel, it only frees, It burns the lie, reveals the seed. So let it shine, let go, let flow — We're waking home.

CHORUS

Grow up, grow up, precious baby, We can't keep hiding from the flames. Time to break the spell, the house is burning! **Nam Myōhō Renge Kyō! (ナムミヨウホウレンゲキョウ) Nam Myōhō Renge Kyō! (ナムミヨウホウレンゲキョウ) Nam Myōhō Renge Kyō! (ナムミヨウホウレンゲキョウ)**

BRIDGE

[Gentle start, then build with drums & strings]

Let the child inside you cry, Don't be scared — it's not goodbye. From the ashes,
stars ignite, We're children of the endless light.

FINAL CHORUS

[Big, cinematic]

Grow up, grow up, precious baby, We are the light beyond the flames. Let the
past burn down, our hearts are learning — ***Nam Myōhō Renge Kyō!*** (ナムミ
ヨウハウレンゲキョウ) ***Nam Myōhō Renge Kyō!*** (ナムミヨウハウレンゲ
キョウ) ***Nam Myōhō Renge Kyō!*** (ナムミヨウハウレンゲキョウ) (Ah...)
Nam Myōhō Renge Kyō...
