Verse 1
Panatipata, no, no….
No, No, No, No, No, No.....
We keep it sweet, we keep it kind
No drama, just peace of mind
Addinnadana, no, no, no no no…
No sneaky hands, no petty steal
Just dancing where the love is real

Chorus
Good gal, good gal, yeah that's my flow
Wag your finger, say it like you know
Light it up, let your good vibes show
Pun cha si la, la la la la la…

Verse 2:
Musavada, no, no…
No, No, No, No, No, No.....
Talk is smooth, but we keep it true
No whisper games, no shade on you
Words like honey, hearts in sync
Truth so fresh you wanna drink

Chorus
Good gal, good gal, yeah that's my flow
Wag your finger, say it like you know
Light it up, let your good vibes show
Pun cha si la, la la la la la…

Verse 3
Kamesu, no, no…
Michacara, 不要，不要.....
Love with style, keep it fair
No tricks, no dares, no messy flares
Sober mind, I'm lit on the beat
Pure joy moves in my dancing feet

Bridge – Chant Drop (spoken / group chant over beat build)
One, two, three, four, five — keep it good, keep it live
No harm, no steal, no lies, pure feel
Respect, clear head, keep your heart fed
We shine together, yeah, that's the thread!

Final Chorus – Energy Lift x 2
Good gal, good gal, yeah that's my flow
Wag your finger, say it like you know
Light it up, let your good vibes show
Pun cha si la, la la la la la…

Good Gals

Pali words from the 5 precepts are woven into the lyrics to create a "rebellion" fun track. Here's we rebel against worldly misconceptions about what makes a person fun and cool
