

WE FORGOT AGAIN

BODHI-BOWL

[Intro]

(whispered, broken)

We forgot again...

[Verse 1]

Thousands of lives

Oceans of tears

Mountains of bones

Lost through the years

We begged for the dawn

We prayed to be free

But the darkness returned

And we forgot everything

[Pre-Chorus]

How many times

Must we say goodbye?

How many tears

Must we leave behind?

[Chorus]

WE FORGOT AGAIN

WE FORGOT AGAIN

We swore we'd never cry these tears

WE FORGOT AGAIN

WE FORGOT AGAIN

How many lives must disappear?

We cried, we cried

We swore we'd be free

Then came the darkness

AND WE FORGOT AGAIN

[Verse 2]

We loved, we lost
We held, we let go
We searched for a peace
This world couldn't hold

Again we begin
Again comes the end
And we walk into darkness
And begin again

[Pre-Chorus]

How many times
Must we say goodbye?
How many tears...
[pause]
...must we leave behind?

[Chorus]

WE FORGOT AGAIN

WE FORGOT AGAIN

We swore we'd never cry these tears

WE FORGOT AGAIN

WE FORGOT AGAIN

How many lives must disappear?

We cried, we cried

We swore we'd be free

Then came the darkness

AND WE FORGOT AGAIN

[Bridge]

(stripped back, whispered)
Tell me... we learned...
Tell me the ashes... still burn...

Don't we remember?
Don't we remember?
...Don't we remember?

[Final Chorus]

WE FORGOT AGAIN

WE FORGOT AGAIN

We swore we'd never cry these tears

WE FORGOT AGAIN

WE FORGOT AGAIN

How many lives must disappear?

We cried, we cried

We swore we'd be free

Then came the darkness

AND WE FORGOT AGAIN

[Outro]

(whispered)

We forgot again...

[pause]

...again.
